Miami Open Age Championships

Over the long weekend in October, our very successful junior championships were held with over 280 entries. In spite of some very inclement weather, all age groups were completed. This year's **Good Sportsmanship awards** were presented to **Charles Ralston and Madison Ricardo**, who impressed organizers with their on-court behaviour and ability to cope under pressure.

New LED Lights

At a cost of \$65,000, the new lights on Courts 5 - 9 have significantly improved our facility for night tennis.

The Management Committee is working on obtaining a grant to provide similar lighting on courts 10-14

Many thanks to the continued support of our sponsors: Domino's, Brian's Autos, Noble Dentures, LEA Insurance and the Gold Coast City Council
